

Fellow Patriot,

**Today is the last day of early voting and I hope you'll be a part of the historic voter turnout for our nation's future by making your voice heard TODAY!**

The Republican minority in Congress *hasn't stood down* from fighting for the American people, and we are aggressively preparing to lead a multi-pronged strategy against the Biden Administration once we obtain a **Conservative Supermajority** on Election Day!

Let's **Get Out The Vote** to ensure that the days of America *Last* politicians come to an end:

*We have to face it.* The Democrats abandoned the American people. They put their WOKE AGENDA FIRST, and the American people LAST.

**Now It's Time To Put America First!**

To reach our goal of implementing the **America First Plan** we REALLY need to seize the moment now to reach as many voters as possible. Please consider supporting our voter outreach efforts so we succeed in getting a record number of Arizonans to the polls!
